CATALOGUE

OF

AMERICAN SEEDS, &c.

SOLD BY BERNARD M'MAHON, SEEDSMAN,
PHILADELPHIA.
1804.

WHO has also for sale, an extensive variety of Asiatic, South-Sea Islands, African and European Seeds, of the most curious and rare kinds; and is daily adding to his collection, as he avails himself of every opportunity to procure seeds from all parts of America, as well as from every part of the world, to which the enterprize of American commerce extends; and flatters himself that in a short time his assortment will be the most extensive ever offered for sale in any country. He is constantly supplied with Grass and Garden Seeds of every kind, Garden Tools, Agricultural, Botanical and Gardening Books, and every article necessary in his line of business.

N. B. Orders will be attended to with care and dispatch, and no Seeds sent, but such as are true in kind, and good in quality. The prices shall be moderate, and due allowance will be made to those who buy to sell again.
